Wedding Pricing Guide

MOMENTA EVENTS

Welcome

Firstly we want to thank you for considering us as your planner and/or coordinator for your wedding day. Creating the perfect wedding involves many hours of meticulous planning, problem solving, attention to detail and some good honest advice.

Here at Momenta Events, we love focusing on the details, people and places that have shaped your relationship. We love hearing your story and weaving together the venue, decor, food and special moments that reflect this.

We are inspired by the natural world around us and drawn to the beauty in the little things. We love creating weddings that invite people to slow down, linger a little longer and truly enjoy being together.

We offer a free initial consultation to chat through your ideas, style, budget, and priorities. This is a no obligation chat

Our Pricing Approach

We have designed our packages as a starting point, not a rigid price list. Because every event is different, we tailor our services to fit your needs, your vision, and your budget.

Think of these packages as a guide to what you can expect. We're always happy to adjust scope, add services, or build something completely custom. The goal is to give you a clear idea of what's included at each level, so there are no surprises.

All prices are in New Zealand Dollars (NZD) and include GST unless stated otherwise. A 30% deposit is required to secure your date, a further 30% will be due six months before your event, with the balance (40%) due 14 days before the event. We are more then happy to discuss payment plans if required.
